- Volunteer involvement increased **33%**, a testament to how deeply our community cares.
- Audience attendance jumped **88%**, proving that what we offer truly matters - now more than ever.
- At Cassidy, **56%** of every dollar raised goes directly into programming—from hiring local artists and licensing high-quality shows to maintaining our facilities and offering meaningful arts education programming.

But the reality is clear:

The cost of creating theatre is rising. Royalties, equipment, staffing, and materials continue to climb. While our passion hasn't changed, the economics of producing the work you know and love have. To sustain this momentum, we're launching "IMPACT" A Capital Campaign that directly supports the core mission of Cassidy Theatre - because the need is real, and the time is now.

As Mayor of Parma Heights, I am thrilled to support the Cassidy Theatre, which I consider to be Parma Heights' cultural gem. The arts are a tremendous part of community life in Parma Heights because of the rich history and tradition of the Cassidy Theatre that has been a part of the fabric of our lives here since 1975.

I know you will join me in continuing to support the work of the countless staff and volunteers that make our community theatre one of the finest in Northeast Ohio. Their dedication to producing high-quality productions and engaging with the community is truly inspiring. The performing arts are an essential part of a thriving community, and the Cassidy Theatre is a shining example of this belief in action.

It is with tremendous pleasure that I fully support the Cassidy Theatre throughout their 2025 Main Stage season.
